

Bookshop Crawl UK CIC and Canterbury Children's Literature Festival deliver a wide range of inclusive and accessible events focused around books and encouraging a love of literacy. Our volunteers are an essential and valued part of enabling our events to happen and to be fun and run smoothly. To support our volunteers to deliver this high level of service, we will cover the costs of various expenses, as detailed below.

All volunteers may apply for reimbursement for:

- Travel expenses incurred while travelling between festival locations and events as a volunteer.
- Lunch costs, where shifts mean you are eating during the course of your volunteer hours

Volunteers should claim their expenses using the expenses form. If volunteers feel that additional expenses should be covered, please email [canterburykidslitfest@gmail.com](mailto:canterburykidslitfest@gmail.com) to discuss.

We will supply uniform where needed.
