Thankyou for signing up to join in with the 10th annual London Bookshop Crawl from Friday 14th - Sunday 16th February 2025! Here's everything you need for a great bookish day. Please be aware that events, bookshop information and details about perks on offer will be being updated until the end of January so please keep checking back on social media and the Big List.

There are over 100 bookshops across central and greater London, and plenty of history to explore too. [The Big List Map](#) (also available in [list form](#)) has more information about each of them, including opening hours, accessibility info and perks on offer to bookshop crawlers. If you would like to join us for a Group Bookshop Crawl to meet fellow book lovers and be led around a planned itinerary of bookshops, you can book tickets [here](#). Downloadable itineraries are still being created, and can be found [here](#). We are also still adding a programme of author signings and events to the lineup and will send information about these when they are confirmed. We would love to see where you visit, don't forget to tag us (@bookshopcrawluk across social media) or use #LondonBookshopCrawl, and don't forget there will be a full range of online events happening throughout the weekend as well.

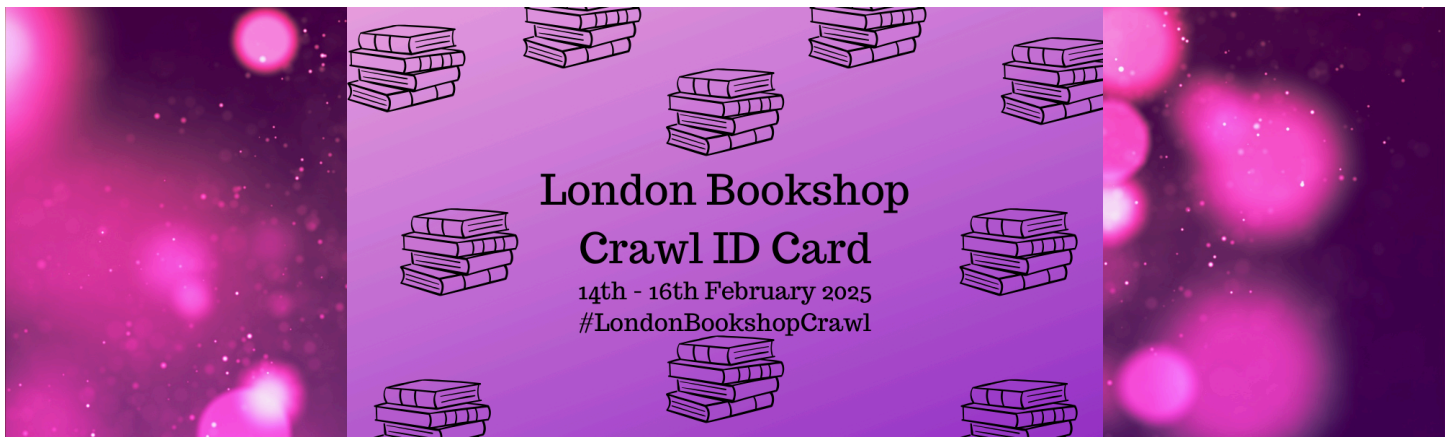

## How to Bookshop Crawl
